A perfect marriage of wine and chocolate. Her chocolate. His wine.

Coco-luxe is Stephanie Marcons retro shrine to all things chocolate, she is now joined by her husband Stan Bradbury who brings his local fine wine label 122° West.

Coco-luxe celebrates it's first anniversary, now serving 122° West Wines, making Coco-luxe Boutique the first independent and locally owned wine and chocolate tasting room in San Francisco.

The Ultra-premium wine range is a perfect compliment to the custom selections of Coco-luxe's all natural retro inspired truffles. The 122° West range includes:

- Zinfandel** Subtle with wonderful red fruit
- Durif** Silky soft tannins with balanced black fruits
- Sangiovese** Light with a zesty raspberry finish
- Syrah** A muscular full-bodied red
- Pinot Port** Lovely notes of plum pairing with any dark chocolate

Coco-luxe will continue to serve it's own HOT cocoa, fresh handmade frozen chocolate mousse and espresso by Blue Bottle Coffee.
