COCO-LUXE CONFECTIONS INTRODUCES AFTERNOON CHOCOLATES

Three Pick-me-up flavors: Mocha, Chai Tea and Green Tea

(San Francisco, CA – August 23, 2006) – Bay Area chocolatier Coco-luxe Confections introduces Afternoon Chocolates, a sophisticated collection featuring pick-me-up flavors including Mocha (Blue Bottle Coffee infused cream blended with milk and dark chocolate), Chai Tea (spice mix blended with creamy dark chocolate ganache), and Green Tea (green tea and honey white chocolate ganache.) Three of each flavor comes nestled in Coco-luxe Confections' signature brown-on-brown polka dot box for a suggested retail price of \$17.95.

"I've always loved savoring a piece of chocolate with coffee or tea which led me to create this collection," says Coco-luxe founder Stephanie Marcon. Coco-luxe Confections' Afternoon Chocolates are available online at Coco-luxe.com. Check website for stores.

Coco-luxe Confections is inspired by classic dessert flavors to create playful chocolates that hark back to childhood treats while satisfying the demanding palate of the premium chocolate lover. Artisan dark, milk, and white chocolates and natural ingredients combine to make the Coco-luxe line. No need to guess what a chocolate tastes like as each Coco-luxe chocolate morsel is decorated with a charming image that represents the flavor of the ganache center (e.g. a cake slice for German Chocolate, an angel for Angel Food, etc.).
