Coco-luxe Confections creates delicious chocolates that hark back to childhood treats while satisfying the demanding palate of the premium chocolate lover. Artisan dark, milk, and white chocolates and natural ingredients combine to make the Coco-luxe line. No need to guess what a chocolate tastes like as each Coco-luxe chocolate morsel is decorated with a charming image that represents the flavor of the ganache center (e.g. a cake slice for German Chocolate, an angel for Angel Food, etc.).
